

PRESS RELEASE

OFFICE OF THE ELECTORAL COMMISSION

For Immediate Release

RE: Covid-19 implications for Voter Registration

All members of the public are informed that further to the press release of 16th March with relation to precautionary measures towards containing the spread of Covid-19, the Electoral Commission Seychelles under advisory from the public health commissioner, will continue the current cease in all customer-facing services (i.e. new registration voters' register, changes on the voters' register and verification on the voters' register) until 21st April 2020. This is to assist in continued social distancing and curb potential transmission risks of Covid-19.

Voters can still check their names on the 2019 voters' register through the SMS number 9600.

The Electoral Commission Seychelles will update of any change in the measure on 21st April 2020 and apologises for all inconvenience caused.

Members of the public can still communicate with the Commission via telephone on 4295555.
